

World Engineering Day celebration [register](#)

This celebratory event is organised by Namibia Women in Engineering (NAMWIE). NAMWIE is an association that wish to promote awareness in 'Engineering as a career choice for women' & provide a support platform for women engineers in Namibia. This exciting event will bring together different women in engineering association to celebrate their accomplishments and challenges; and share their experiences with each other's. This will provide an exciting opportunity to network and also to meet other professionals in the industry.

The event will begin with welcoming remarks by followed by presentation on sustainable water management by Ms. Martha Amakali, Director: Water Supply at Ministry of Agriculture, Water and Forestry. Mr. Mr. David Jarret on advancement of renewable energy In Namibia. A show case of innovation save Namibia projects by engineers.

Kindly take note: this event commences at 09.30am for a 10.30am start. The event is open to both men and women.

Don't miss this opportunity to catch up with local engineers.
