ENGINEERING
DAY** FOR SUSTAINABLE
DEVELOPMENT

ABOUT OUR SPEAKER

Yu Yong Poh received B.Eng. and PhD degree from University of Malaya in 2008 and 2016. He joined Altera Corp Penang (currently known as Intel PSG) as an application engineer in 2008. He worked as an assistant lecturer at Universiti Tunku Abdul Rahman (UTAR) in 2010. He then joined Tunku Abdul Rahman University College (TAR UC) as a senior lecturer and programme leader for postgraduate programmes. He is now serving at AirAsia Digital as a lead technical trainer.

Dr. Yu Yong Poh
