

This is a joint Virtual Panel Presentation between the Pan American Academy of Engineering (Academia Panamericana de Ingeniería - API) and the Pan American Union of Associations of Engineers (Unión Panamericana de Asociaciones de Ingenieros - UPADI), co-organized by Dr. Jorge Vanegas, President of API, and Ing. Maria Teresa Pino, President of UPADI. The event, which will include 10-minute presentations by six distinguished panelists on how Engineering across the Americas is advancing the United Nations Sustainable Development Goals (UNSDGs), will be delivered via Zoom to the members of UPADI and API, and to the general public, hosted by Texas A&M University in College Station, Texas, U.S.A.
